

Articles – Muslims are Terrorists

?What is Islam

The word "**Islam**" is derived from the root word meaning '**submission to God alone**' and absolutely does **not** endorse terrorism. Allah (God) states in the Quran that killing one innocent soul is like .killing the entire humanity

And as Muslims, we practice our faith more than anyone else. So how can we deny the commands of ?our religion

?Who's responsible for 9/11

Then .. wait a second, who was responsible for the events of **September 11th**? You must understand that we live in the age of technology. You can easily access any kind of information online, please explore the documentaries available on YouTube about who created the Taliban and what the purpose behind their existence is. All of this is politics, not religion. **And just to make this clear**, terrorists who mass murder innocent people in the “name of” their religion have jumped through a lot of **interpretive hoops**, and **twisted a lot of ideas**, in order to try **to justify their .crimes**

The vast, VAST **majority** of Muslims of course don't agree with them — hence all the fatwas (rulings) and other condemnations against terrorism as being “un-Islamic”. And since you are an educated person and still are reading this article, I expect that you will **not** form an image of Islam in your mind .based on what people show you or what the media portrays

?What about Palestine

Aside from the fact that this has nothing to do with Palestine (Read: [Judaism before Islam, thus it's a Jewish land!](#)), since Palestine is composed of Christians, Muslims and even some Jews and the Palestinian–Israeli conflict has nothing to do with religion, at least from the Palestinian's side (Refer to previously mentioned article). In the next section, we will state some facts that I challenge you to find .any Muslim that disagrees with them

The Quran & Sunnah

;(We, Muslims, abide by the **Quran** and follow the actions of **Prophet Muhammed** (*our last prophet*

And, surprisingly, there is **not** a single verse in the entire Noble Quran to support terrorism. (*Wait for .it, don't exit the article just yet*

The Noble Quran teaches us how to live a life in a peaceful manner. It teaches us to live our lives according to the will of ALLAH SWT and will of ALLAH SWT is to help others, love others, respect others. ISLAM teaches to pay Salam (send blessings) to even strangers. ALLAH SWT doesn't love .the transgressors or those who do not maintain peace

Even in the battles against Non–Muslims, our beloved Prophet MUHAMMAD PBUH taught us not to kill those who surrender, not to kill children and old people. Not to rape women. Not to cut down trees .or plants. These are the conditions in state of war

You must not mutilate dead bodies. Neither kill a child, nor a woman, nor aged man."

Bring no harm to trees, nor burn them with fire, especially those which are fruitful. Slay

".not any of the enemy's flock, save for your food

.**Now** let's analyze some of the verses in Noble **Quran** which were sent on how to act during war

You may fight in the cause of GOD against those who attack you but do not“ [2: 190]
aggress. GOD does not love the aggressors.” (Have you ever seen a commander like
(?this

If they refrain, then GOD is Forgiver, Most Merciful.” (ALLAH SWT easily“ [2: 192]
(forgives

You may also fight them to eliminate oppression, and to worship GOD freely.“ [2: 193]
(without forcing people into any religion, neither Islam nor Christianity) If they refrain, you
shall not aggress; aggression is permitted only against the aggressors.” (You will never
(find anything like this besides Noble Quran

And feed with food the needy wretch, the orphan and the prisoner, for love of”[76:8–9]
Him (saying) : We feed you, for the sake of Allah only. We wish for no reward nor thanks
”..from you

Above verses were sent when Muslims **were in State of War**. So if a religion doesn't support
terrorism in the state of war then how can it support terrorism in regular life? The problem is that
people **do not bother** to look for the **context** of the verses, **which** surahs were they sent in? They
do not even bother to read the chapter the revelations/verses are in, **do not bother** to read the
verses before and after. Just like **Hindus** do not know that their own book **Veda** talks about the
oneness of God but still Hindus worship multiple Gods. Similarly, people have lack of awareness,
they don't know anything about Islam except that women wear Hijab and that men can have 4 wives
.at once

Moreover, **Islam** had spoken **against terrorism, rape, women oppression** since over **1400** years ago. Islam spoken against it before America and Europe had its first constitution. Islam **speaks against** women's rights when women were buried alive in the Arabian peninsula and east. **When Muslims said** a woman has the **right** for divorce, **right** for education, **right** for dowry, **right** to leave her husband when she feels oppressed, the western world was not even on the map of the globe

The Harsh Truth

What you should understand is that human beings are blood mongers, humans beings have the inner desire to rape, women oppression and abuse, and terrorism have no religion, they are purely human attitudes and instincts

There are rapists in the church in the Vaticans, there are rapists in America. In fact, **24 women – are raped every minute in US according to the FBI (Federal Bureau of Investigation – United States)**. India and Hindus have the **highest rate of rape** in the world. In Saudi Arabia, Indonesia, Malaysia, Brunei, etc there are zero percent rape

Women oppression. America has one of the highest ever recorded women abuse and domestic – violence. In **America**, children under 18 are introduced into **porn industry**. In some states girls of 13 to 15 are forced into early marriage. Women oppression is a cultural act not a religious one

Terrorism. The Crusaders launched one of the highest murder in history. They forced people into – Catholicism. They killed Christians, Muslims, Jews, all in the name of religion. The KKK in America, killed blacks due to white supremacism. Hitler killed over 5 million Jews. George Bush bombed children and women in Afghanistan. America tested a nuclear in Hiroshima. Those people were innocent. Till date, there are traces of nuclear bomb in Hiroshima. White boy in the name of Dylan Rof killed over 50 people in US. I can continue naming events after events

It is rather the people or followers. No religion from Islam to Christianity to Buddhism or Hinduism

that says kill people, rape women, oppress women. Instead, **it is purely a human action instructed by their brain**

So **don't** blame Islam for what Muslims do. **Islam is good**, Some Muslims are bad. I won't blame .crusades on all Christians and I surely won't blame all Germans for the actions of Hitler

Islam is a peaceful religion and any Muslim who creates fear or spreads terrorism is not a Muslim because they will be .considered a transgressor and ALLAH SWT doesn't love them

Muslims are Terrorists - صور

'And kill them wherever you find them..' 2:191
'Fight against them 'if they persecute you' until there is no more persecution.' 2:193

- Do you know what comes before verse 191?
'Fight in the cause of Allah those who fight you but do not transgress limits for Allah loves not the transgressors.' (2:190)

TLDR: Fight only those who attack first.

Then comes 2:191: **"Kill them wherever you find them."**

- Do you know what verse comes right after this one?
'.. And if they cease, then indeed, Allah is Forgiving and Merciful.' (2:192) *'Fight against them 'if they persecute you' until there is no more persecution, and 'your' devotion will be to Allah alone'. If they stop persecuting you', let there be no hostility **except** against the aggressors.'* (2:193)

Which means to stop fighting "them" if they wish to stop. The only ones we should still fight is if they transgress the limits (i.e. cheap tricks such as killing someone behind their backs during ceasefire, or they keep trying to fight us after their entire army officially surrendered).

'.. then kill the polytheists wherever you find them and capture them and besiege them..' 2:216

- The history of this verse is that when Prophet Muhammad (sa) began preaching the unity of God he was persecuted for 13 years, much as Prophets Abraham and Jesus were. Since Muslims who are being persecuted are encouraged to leave for safer areas, rather than create disorder, Muhammad (sa) and his followers migrated to Medina. After they left, the Meccans attacked them in Medina on and off for a period of nine years until Chapter 9 was revealed.
- Looking at the context of the verses, it becomes obvious that the commandment of this verse only relates to those tribes who continued hostilities against the Muslims even after they had migrated. In particular, reference is made to 5 tribes (Banu Khuz'a'ah, Banu Mudlij, Banu Bakr, Banu Damrah, and Banu Sulaim) that did not honor the treaties they made with Muslims. It is also important to remember that the preceding verses give these people respite for 4 months to reconsider their behavior and cease hostilities. Sadly after 4 months passed, the enemies of Islam continued their hostilities against the Muslims. **Only then** was Prophet Muhammad (sa) commanded by God to meet them in battle to defend Muslims and the religion of Islam.

Even in this chapter, the Quran states that if the enemies repent of their behavior and promise to fulfill their treaties, it becomes incumbent on Muslims to cease military action and forgive them. Unfortunately those who take this specific verse out of context fail to see that as the title (Al-Tawbah) (The Repentance) suggests, the main subject matter of the chapter is forgiveness and repentance.

'If they turn their backs, take them, and slay them wherever you find them' 4:82

- Who's **them**? and why? Looking at 88-94 'Al-Nisa'

 - Who: Hypocrites.
 - Why: They want you to leave your religion and fight against you.
 - Whoever wants peace, give it to them.

Looking at the reasons for revelation of these verses, they were about the Battle of Uhud (The deserters)

Out of the 1000 fighters of the Muslim army, right before the battle started, some people left them and went back home (also mentioned in the Quran Surat 'Ali 'Imran [3:166-168].)

.. After the Muslims lost the battle, they disagreed on what to do with the people who deserted right before the battle.

- Thus, a simplified summary of what's in [4:88-94] would be:
 You can't help them change unless they help themselves.
 They want you to leave your faith and be like them.
If they fight you, you may kill them EXCEPT for:
 - Those who join a group with whom you have a treaty.
 - Those who don't want to fight.
 - Those who send you (Guarantees of) peace.

The Quran itself explains the conditions of being just and unjust.

In fact according to the Quran "fighting" aka, "Jihad" is defending yourself against your enemy which is in our nature.

The only offensive Jihad is which aims to protect freedom of spreading the call for Islam without any compulsion and defending those who are under oppression and tyranny, subject to specific rules and conditions that Islamic jurists have indicated for the achievement of interest and aversion of harm.

Broadly speaking, the Quran is against any unjust violence.

The most well-known verse in this regard is the verse [5:32] which states:

"whoever kills a soul, without [its being guilty of] manslaughter or corruption on the earth, is as though he had killed all mankind; and whoever saves a life is as though he had saved all mankind."

Sometimes violence is necessary, just and logical. Punishing a robber etc. Though, this kind of violence might be untrue to robbers or killers' eyes.

'Terrorism is above all murder. Murder is strictly forbidden in the Qur'an.'

Do not take a 'human' life—made sacred by Allah—except with 'legal' right. If anyone is killed unjustly, We have given their heirs the authority, but do not let them exceed limits in retaliation, for they are already supported 'by law'. (17:33)
