Ghassan Mustafa Al-Kakhi • •

Sir Jumah Khalaf Al-Yousef • •

Abdul-Halim Mohammed Hafiz • •

Operation Kamal Jumblatt in the Galilee, March 7, 1981

Operation Kamal Jumblatt was a qualitative operation carried out by the PFLP in the Galilee. Two gliders landed in the Galilee, and the fedayeen then fought fierce battles. In this rare video, Abu Abbas speaks about the operation. It also shows one of the gliders after it fell into the hands of the .Israeli occupation, which kept the results of the operation under wraps

:Phrases to understand

Glider: A glider is a type of aircraft that does not have an engine. Instead, it stays in the air by .1

using the wind and gravity to lift it. Gliders can be used for recreational flying, sport flying, and military purposes. In the case of the Operation Kamal Jumblatt, the PFLP used gliders to land in the .Galilee undetected

Zionist: A Zionist is a person who supports the creation and maintenance of a Jewish state in .2 .Palestine. In this article, we used the term "Zionist" to refer to Israeli soldiers

Kamal Jumblatt's operation – صور

Operation Kamal Jumblatt I Al-Jaleel, March 7, 1981. A qualitative operation executed by the Palestinian Liberation Front, where glider planes landed in Al-Jaleel and the fedayeen engaged in fierce battles thereafter. In this rare video, Abu al-Abbas speaks about the operation, and there is also footage of one of the planes after it was downed by the occupation forces, who kept the operation's results confidential
