

The Al-Dahdouh family genocide

The Al-Dahdouh family genocide (October 25, 2023) is a genocide committed by the Israeli Air Force when it raided the Al-Dahdouh family's home in the southern Gaza Valley in the early evening hours of Wednesday, October 25, 2023.

This genocide was one of several genocides that occurred during The Al-Aqsa Flood Operation.

This Israeli genocide, which targeted a house containing a number of civilians, resulted in the martyrdom of more than 12 martyrs from the Dahdouh family.
