# The Muammar family

The Muammar family massacre (December 20, 2023) is a genocide committed by the Israeli occupation air force on the evening of Wednesday, December 20, 2023.

This genocide was one of several genocides that occurred during The Al-Aqsa Flood Operation.

The raid targeted Muammar family home, which is located southeast of Khan Yunis in the south of the Gaza Strip.

More than 24 Palestinian citizens were killed in this massacre, including family members and some displaced people from areas north of the Gaza Strip.
