# The Abu Aita family

The Abu Aita family massacre was a massacre committed by the Israeli Air Force when it raided a house for the Abu Aita family in the Tal al-Zaatar area and the city of Jabalia, located in the North Gaza Governorate, where the massacre occurred at the beginning of December 2023.

This genocide was one of several genocides that occurred during The Al-Aqsa Flood Operation.

The homes of the Abu Aita family were targeted, and more than 38 martyrs were announced, most of them children and women, all from one family.
